Please remember: "It's the Law" to call **Gopher State One-Call 1-800-252-1166** at least 48 hours (two weekdays) before beginning any excavation. Hand dig within two feet of location marking of utilities.

Within the outline box area, make a rough drawing that includes property lines, building outlines and detail showing the proposed construction including location of driveway. Indicate setbacks from proposed construction to property lines. Please show locations of gas and electric meters on house and approximate locations of gas and electric lines, if known.

The zoning permit applicant is responsible for locating the lot line/iron markers on the related boundaries of the property.
